PROFFESSIONAL SUMMARY

Digital & Print Graphic Designer with 2+ years of hands-on experience in advertising and print production, creating materials from small-format prints to large-format advertising such as IDs, stickers, labels, T-shirts, posters, tarpaulins, banners, and billboards. Experienced in preparing print-ready files, checking dimensions and specifications, and supporting the production process from layout to final output. Skilled in Photoshop, Illustrator, Canva, Figma, and print production workflows, with experience using AI tools to support image generation and creative development. Also experienced in administrative and data support, such as Odoo updates, product pricing and unit management, delivery records, Excel, and document handling.
